A handwritten signature in black ink, appearing to read "Elstner".

Michael Elstner

It is the sole responsibility of the processor to adequately inspect the heat treatable coated glass before each step of fabrication and prior to installation. Failure to apply all professional standards, customary instructions and processing instructions (available on www.agc-yourglass.com) will automatically void any warranty regarding heat treatable glass of AGC. The processor has the full responsibility for the quality of the final product.
